SPRING
CONVOCATION

It is my honour, on behalf of The University of Winnipeg community, to offer sincere congratulations to each of you on your achievements. Today we gather to celebrate your success, acknowledge those who helped you reach this point, and reflect on where you will go next. Whether you are launching a career, pursuing further studies, or taking off to explore the world – you have reached an important milestone on your journey.

UWinnipeg is located on Treaty One land in the heart of the Métis nation, and we are a richly diverse community. It is our underlying strength. We are deeply committed to reaching out to all students, including those who have traditionally faced barriers to participating in post secondary education. I hope you have been enriched by the exposure to the many ideas, cultures, and life experiences that flourish here.

Your graduation comes at an exciting time during our institution's history, as UWinnipeg celebrates 50 years of growing leaders. You are now a member of this extended UWinnipeg family, joining more than 50,000 people who have passed through these doors as students. I am one of those graduates, and I attribute my academic and career successes to the solid foundation I received at UWinnipeg, and the dedicated professors who inspired me to continue to strive and learn.

It is my sincere hope that your time at UWinnipeg has allowed you to realize

Dear Graduates,

At this important moment, the Alumni Association wishes to congratulate the graduating class of 2017, as you celebrate the successful completion of your programs. For all of your hard work, and for all you will do in the coming years, we want to recognize and honour your achievements.

While a convocation ceremony marks a threshold moment of academic achievement, I think so much of who we are is shaped in the years we spend building knowledge through our experiences in public service, in our personal lives, and in our vocations.

This spring, The Alumni Association Council is proud to present the Distinguished Alumni Award to an alumna who has made an indelible impact upon the local and international community. As the Scientific and Executive Director of the Robarts Research Institute, Marlys Koschinsky is internationally recognized for her innovative research into lipoprotein metabolism and has published prolifically on the results of her research.

Like Dr. Koschinsky, today's graduates are poised to make their own mark on the world. The knowledge that you have attained over the past years of dedicated

THE
HONOUREES

SPRING 1

HONOUREES

Paul Gri th Thomas is a homegrown treasure who has served as a scholar teacher researcher and mentor in the eld of public administration for over 40 years. He has encouraged an ethical standard for public service in Manitoba and has helped raise the bar for public servants.

Cindy Blackstock is a tireless advocate for
some of society's most vulnerable people
Indigenous children youth and families

Dr Carol Harvey's excellence in teaching research and community service has made an indelible mark on The University of Winnipeg Universally loved by students and respected by colleagues she has advanced French scholarship in Manitoba and abroad throughout her remarkable career

Harvey joined UWinnipeg's department of French Studies in 1981, she is currently Professor Emerita of French and holds the research position of Senior Scholar

She was integral in establishing language programs including the exchange program with the Université de Perpignan in France that have provided many opportunities and enriched the lives of countless students Known for her meticulous preparation and curricular innovation as well as her warmth and receptivity Harvey was awarded the Clifford J Robson Memorial Award for Teaching Excellence in 2001

Harvey's extensive research on French literature and Francophone history has helped connect UWinnipeg to the French community in Manitoba and beyond She has published numerous books and articles and has presented her research locally and internationally

She is an expert on French author Gabrielle Roy and was a founding member of the committee that transformed the writer's St Boniface home into a museum

She was also a founding member of the Canadian Society of Medievalists serving as president and as co editor of the Society's journal *Francia* For her research contributions she was awarded the Erica & Arnold Rogers Award for Excellence in Research (2005) and was named a Knight in the Order of Arts and Letters (2006)

Dr. Michael Weinrath

MA, PhD

**ROBIN H. FARQUHAR AWARD FOR EXCELLENCE
FOR CONTRIBUTING TO SELF-GOVERNANCE**

Dr Michael Weinrath has made significant and lasting contributions to The University of Winnipeg over the course of twenty years – most notably building the Criminal Justice program and serving at its helm as Chair for 11 years. He helped create a department that is collegial and well respected across the criminology and criminal justice community in Canada and he was instrumental in promoting the program nationally at the Western Regional Criminology Articulation Committee.

Criminal Justice is a program valued by students and is one of the most heavily subscribed majors on campus. Most recently, Weinrath played an important role in developing the new Master of Arts in Criminal Justice – a degree offering that is unique on the Prairies and which will include the option to take courses in the Indigenous Governance and the Public Administration graduate programs.

Weinrath's deep commitment to service and university self-governance extends well beyond his department. During his tenure as Acting Dean of graduate studies, he successfully shepherded two graduate programs through Senate.

He has also served on the Board of Regents, Senate Executive and the Teaching Committee – among many other University committees. He quietly takes on numerous complex and onerous tasks, mentors junior colleagues and inspires others to become more involved in the governance of UWinnipeg.

Weinrath's contributions demonstrate a dedication to an ethic of self-governance guided by values of transparency, accountability and credibility. He is known as a talented and effective administrator and program builder. His long and substantive service to self-governance can be measured not only in the number of important developments he has been involved with, but also in the number of students, faculty and staff that he has motivated to do likewise.

The University of Winnipeg proudly presents Dr. Michael Weinrath with the Robin H. Farquhar Award for Excellence for Contributing to Self-Governance.

Dr Laura Reimer is an outstanding educator who transforms lives. Her teaching style nurtures a trust building collaborative approach to learning that encourages participation, lively discourse and engagement. As a public administration professor with extensive training in peace and conflict studies, she exposes students to a greater understanding of leadership and their roles in our communities and the world. In class, Reimer uses multiple experiential learning opportunities such

Boasting a large collection of books and a wide variety of resources The University of Winnipeg Library can be a daunting place for students embarking on a research journey The saving grace for many students is the expert mentorship of longtime staff member John Dobson

Over the course of 30 years Dobson has worked in nearly every department of the library making him an indispensable source of knowledge for students colleagues and faculty alike His passion for helping others is exemplified by his kind demeanor and thoughtful approach to every query no matter how complex

As the library's Scholarly Communications and Web Design Specialist Dobson's behind the scenes responsibilities keep the department running smoothly and his technical support maintains essential library services

Adrienne Tessier is both academically gifted and a strong engaged leader who is passionate about social justice and creating a better community for everyone. She has served as arts director with The University of Winnipeg Students' Union and as deputy premier with the Youth Parliament of Manitoba a role she says is extremely rewarding because we connect our youth to the democratic process and give them the tools to create change.

Among Tessier's many academic accomplishments she was awarded the prestigious Dr and Mrs Rodrick Hunter Scholarship and has been on the Dean's Honour List as a Student of Highest Distinction for three consecutive years. Most recently she received the Community Advocacy Internship (Department of Urban and Inner City Studies) which allowed
