Registration Materials

Most of the university's course information is posted online. Students are advised to visit The University's website, and to look at the following documents for more detailed information:

The Academic Calendar

The Academic Calendar contains information on degree requirements, program rules and regulations, and course descriptions. The Academic Calendar is available online at: uwinnipeg.ca/academics/calendar/index.html

Course Schedules

Timetables for students entering Year 2 are included with your course registration package.

Registration Materials

You will need your After Degree Year 2 Registration Report (emailed in mid June). This report includes the following documents:

- › A **Stream Checklist** - the checklist outlines your degree requirements, and lists the courses that you have completed to date, as well as any courses that are in progress. Please review this checklist for accuracy, and report any errors to the Faculty of Education office as soon as possible.
- › A **Course Registration** sheet - this form lists the specific courses (and sections) that you must take in Year 2. Please use this form as a reference when completing your online registration.
- › **Timetables** for Fall and Winter - these timetables outline the weekly course schedule for your assigned cohort.

Elementary Curriculum, Instruction and Assessment Courses

Year 2 students in the Elementary stream will be required

Regulations Related to Course Scheduling

Permission to Register Over Capacity

Please be aware that instructors cannot give permission to register over capacity in their courses. Permission can only be obtained from the Faculty of Education Office, and will only be considered if there is a direct conflict between two specific required courses.

Conflicts with job hours or other personal commitments, or wanting to take courses that have been reserved for other groups of students, or wanting to take courses at certain times of the day are not considered to be exceptional circumstances, and cannot be accommodated. We appreciate your understanding in this matter. We reserve the right to move students to a different course or section after they have registered. This will only occur if there has been a late change to the timetable, such as a course being canceled or rescheduled.

Condensed Courses

In order to accommodate the student teaching blocks, certification year courses will be offered in a condensed format, so that they can be completed before student teaching begins. Condensed courses may be offered in the Fall term, the Winter term, or across both Fall and Winter terms. Each term will consist of ten weeks of lectures and exams, followed by a student teaching block. Student teaching will require intensive at home preparation during the evenings. It is important to be able to make a full commitment to courses and student teaching in order to get the most benefit from your final year.

Attendance Policy

The Bachelor of Education Program leads to a professional degree. Students are expected to attend, be punctual and participate in all classes. These expectations acknowledge their importance for the teaching and learning process and the professional responsibilities of teachers. Students are encouraged to volunteer and participate in extra-curricular activities in their host schools. However, students must ensure that no conflict occurs between the school activity and their attendance in class. Students are not to miss University classes for school activities.

Academic Advising

Advisors in the Faculty of Education Office are very busy between April and August with admissions and new student orientations. We typically receive a high volume of both phone calls and emails during this time, and cannot respond to all inquiries immediately. Please expect to wait at least a few days for a response. Please read your materials carefully before calling, as you may find the answers that you need.

If your questions or concerns are complex, please make an appointment to meet with an advisor in person. Appointments can be arranged by emailing a.bourgoin@uwinnipeg.ca

Students in the After Degree must register for numerous courses. It is possible for errors to be when you complete your online registration. Please check your registration carefully, and ensure that you have selected the proper courses and sections.

If you discover an error later, and your intended course or section has subsequently filled, we may not be able to accommodate a change.

EDUC-4722 Advanced Curricular Inquiry (ACI)

The purpose of the ACI course is for final cert year students to engage in a teacher inquiry, whereby these students learn to plan and enact the processes of grounded-in-practice and identity-building professional learning. The course will be a combination of asynchronous learning, group meetings, and PLC meetings.

Meeting dates will be emailed to students in June. The course will conclude with a Celebration of Learning Conference where students will share the results of their teacher inquiry with other members of the Faculty of Education community, including other students, faculty and staff.

Certification Dates

Special Note regarding Fall Reading Week (Oct. 15 - 18, 2024)

Education students in certification years do not participate in the Fall Term Reading Week. Certification courses and practicum will continue during the week of October 15 - 18, 2024. This is necessary in order to allow for enough time to complete a practicum block before schools close for the Winter break.

Education students in certification years do get the school division Spring Break off during the last week of March, as well as the Winter Term Reading Week, and therefore have an equivalent amount of break time compared to non-certifying students.

Certification Dates

Activity	Dates	Day/Times	Length
Weekly Student Teaching - Fall Term	September 9 - November 8*, 2024 *Note: See make-up days above	1 day or 2 half days per week as per your timetable	9 Days
Withdrawal Date	October 28, 2024 (condensed Fall term courses)		
Exam Week - Fall Term	November 14 - 18, 2024 November 14 – Tuesday/Thursday schedule November 15 – Friday schedule November 18 – Monday/Wednesday schedule Note: This period may be used, at the discretion of the instructor, to hold a final exam or test. Students cannot make up missed practicum days during the exam period.	As per your timetable	5 Days
Student Teaching 1st Block	November 19 - December 17, 2024 December 18, 2024 - January 3, 2025 - Holiday Break No practicum or classes	8:30-16:00 daily	21 Days
Condensed Lectures Winter Term	January 6: Lectures Begin February 17: Louis Riel Day - No classes or practicum February 18-21: Reading Week - No classes or practicum March 14: Lectures End	As per your timetable	9 Weeks
Weekly Student Teaching - Winter Term	Monday, January 6 – Friday, March 14, 2025	1 day or 2 half days per week as per your timetable	9 Days
Withdrawal Date	February 5, 2025 (condensed Fall/Winter courses)		
Withdrawal Date	February 27, 2025 (condensed Winter term courses)

Practicum Meetings

The Practicum Office will hold meetings for Certification Year and After-Degree students on three evenings throughout each term. These meetings will give students an opportunity to learn about a number of facets of student teaching both in its execution and in preparation for practicums. Four themes will be visited - professional practice, preparation, mental wellness, and opportunities for career development. Meetings will be held online and recorded. More information will be provided to students at the start of the Fall term.

Here. We Grow!

The Faculty of Education will offer a series of professional development and career exploration seminars as well as workshops and placements throughout the year for all education students. These sessions will cover a variety of topics, such as creating engaging field trips, learning about speakers available to you and your students and other opportunities to see the variety of 'teaching' that occurs in Manitoba schools. As well, tailored for our graduating students, Career & Hiring Fair will be offered allowing several school divisions to present information sessions on employment prospects and application procedures.

Why are some courses reserved for other students?

Each year, there are approximately 600 students in Certification Years. We must distribute enrollments so that all students have equal access to the courses that they need. Each stream has specific required C, I & A courses, and all other courses must be scheduled around them. There are limited time slots available for other courses. We therefore reserve courses that work with particular C, I & A combinations. We must restrict course selection so that everyone has a chance to fulfill their particular degree requirements.

I can't take courses at certain times of the day

Certification Year is a full time, professional portion of the B.Ed. program. Students must be available to take classes from 8:30 a.m. to 6:20 p.m. on any day of the week. All other activities must be scheduled around your courses and student teaching commitments. The courses and practical experience in Certification Years form the foundation for your future career, and should be given high priority so that you can be successful. If you are unable to devote adequate time to your studies, you should consider deferring certification year.

Can I take a different section if there is still space available?

Students have varied reasons for wanting to take courses at particular times of the day. However, we cannot accommodate individual scheduling preferences. Most students make the effort to be available for their assigned courses – this often means adjusting work hours, making child care or travel arrangements, and foregoing volunteer or extra-curricular activities. It would be unfair to these students if we allow others to make scheduling changes. In order to ensure that all students are treated fairly and consistently, **no course or section changes are allowed, even when there is space available.**
